DIVERSE STATIONS

FIVE STAND SHOOTING

THERE WILL BE A MINIMUM OF 15 STATIONS WITH ANOTHER COURSE ADDED DEPENDING ON THE NUMBER OF SHOOTERS.

GUARANTEED PRIZE MONEY BASED ON LEWIS CLASS Last year's event paid out over \$8,000 in prize money. A portion of each shooter's entry will be placed into the Lewis Class to be paid out to the winners. The Lewis Class system allows every shooter an equal chance to win prize money. The final scores are arranged from the highest score to the lowest score. Then, depending on the total number of shooters, the computer will divide this total into equal segments. The highest shooter in each segment will win prize money. Any ties will be determined by a shoot-off. Prize money will be awarded after the completion of the auction.
